Our new Wholesale Price List of Woody and Herbaceous Plants for Fall 1898, will be ready by September 1st. We shall be glad, however, to quote now, upon application, prices for any plants named in this list and for many others, of which we have no seed to offer this year. Herbaceous plants can be shipped during nearly the entire summer with safety.

Our plants of PINEHURST VIOLET look as fine as ever. It is the hardiest form of the English Violet. Flowers are large, single, long-stemmed, very fragrant and of brilliant shade. It blooms continuously all winter in cold frame or open ground, has dark green foliage and is free of any disease. We offer clumps at 10 cents each, 75 cents per 10, \$3.00 per 100, \$25.00 per 1000. We shall be pleased to book your order now.

We solicit your correspondence about collecting native trees, shrubs and vines. It is one of our specialties and we take up many thousands of plants annually.
